HSBC 

Welcome to the ASP CMB Winning Ideas, Sharing Excellence Awards 2008. In order to let ASP CMB colleagues learn more about your wise ideas and ASP CMB's best practices, we now invite you to share your ideas with everyone in the regions.

According to the survey conducted during 2007 ASP CMB Convention, we have identified the six topics about best practices which generated the most interest. The subjects to be shared through the year in the following sequence:

Topic of the Month	Month
Local Customer Acquisition	Feb 08
Motivating Staff and Retaining Talent	Apr 08
Increasing Wallet Share Off Existing Customers	Jun 08
Sourcing New International Customers	Aug 08
Streamlining Credit Approval Process	Oct 08
Driving Customer Penetration Via Alternate Channels	Dec 08

Please use the [entry form](#) and send us your insights by XX Jan 2008. Top three entries that best satisfy the criteria on the entry form will be short-listed by ASP Strategy Team.

The winning WISE idea will then be chosen by Senior Executive, Strategy & Channels Asia Pacific and Global Co-Head CMB and receive a exquisite trophy. The best practice will subsequently be shared with all CMB staff across ASP and be highlighted on a dedicated page on the Global CMB Intranet and Global CMB e-Newsletter.
